# NAMMED SUPPORTS B2GOLD WELLNESS DAY IN OTAVI

On 13 November 2019, B2Gold Mine Namibia hosted the Otavi Wellness Day, which focused on the needs of people living with disabilities.

The event was a resounding success, with approximately 150 people in attendance, including the Deputy Minister of Disability Affairs, Alexia Manombe-Ncube, and Otavi Deputy Mayor, George Garab.

Nammed supported the valuable initiative by offering free health screenings and spoiling attendants with goodie bags.

# B2GOLD INTER-MINES SPORTS WEEKEND

Over 700 employees of different mining companies across the country gathered at Otjiwarongo from 8 to 10 November 2019 to take part in a sports tournament organised by B2Gold Mine Namibia.

Nammed supported the initiative sponsoring all trophies and medals for the winners of each category. In addition, our two water points were stocked with ice cold water to keep athletes hydrated, and our kid's corner with jumping castles, face painting and helium balloons ensured that the children were entertained throughout the weekend.
